

## Parking Procedures

At SA, the safety of athletes and spectators is number one. We appreciate your cooperation in implementing the following procedures in order to ensure everyone's continued safety.

### Sports Academy Parking Policies

- Events at Sports Academy may require a parking fee. Only cash will be accepted for payment at the time of arrival, although you may purchase parking online prior to the event.
  - If you choose to purchase parking online, you are responsible for printing your receipt and bringing it the day of the event, to leave on your dash, as proof of purchase. Only hard copies will be accepted; showing an attendant any image on your personal cell phone will not count as adequate proof of purchase.
  - Please check online, for a note on your event concerning purchasing online parking permits and/or pre-payment for Adult & Child Event Entry Passes/Wristbands.
  
- Parking on curbs on either side of the building is not permitted at any time. **These are fire lanes and must not be blocked for any reason.** Any vehicle parked in these zones will be towed at owners' expense.
- TAILGATING IS NOT ALLOWED. A food court area will be available for participants and spectators. Please do not bring coolers or chairs into the building during any event.
  
- Please follow all parking attendants' directions and do not park in coned off areas. You will be towed at your own expense if parked in a coned off area.
  - Parking attendants and cashiers will be present during morning and afternoon waves. Please follow their directions to the designated parking space.
  
- There is NO DOUBLE PARKING whatsoever at any time, anywhere on the property.
- Please do not park in neighboring buildings' lots or across the street in business lots, unless directed to do so. You will be towed at owners' expense.
  
- If dropping off your athlete at the main front or back doors, please pull up as far as possible to allow cars to get in off of the street or out of the alley.
  - There is no parking at any time in the drop-off zone. Even if you are waiting for just a few minutes, please park in a parking spot.
